3) During Krishnaswami's absence from this office, V. K. Srinivasa Rau was appointed to act in his place, from 22.11. 4-5-11.

4) While making the above proposal, Br II was consulted. He agreed. Br II opined that Krishnaswami, so long as he is on that duty, has no lien for on his acting appt in this office, and that he cannot lay claims for any promotion or increments; but that he may be granted increments, as soon as he rejoins duty in this office. It was also noted that the Govt special O. regarding grant of increments & promotions to officers deputed for census duty, applied only to substantive and permanent appts & not to acting appts.

5) Hence it is seen from the opinion of Br II that R. Krishnachar cannot draw the increment till he actually returns to duty in this office, and that he is not

R Krishnaswamy completes his one years service & his increment falls due on 1st August 1911, as noted in the Increment-Statement submitted by the census superintendent.

6) It is to be noted that V. K Srinivasa Rao has been acting in his place as II grade clerk from ~~August~~ 4.5.11.

7) It is therefore a question for orders whether R Krishnaswamy or V. K Srinivasa Rao should ~~have~~ ~~the benefit of counting his~~ get the increment; as both cannot count service for any purpose in one & the same appointment.

8) Both II may be counted in the above point; as it is a case in which 2 acting men having apparently completing interior duty, and another in this office, are entitled to claim increment for the same period, under ~~the~~ ~~present~~ ~~Rules~~ peculiar circumstances.

10) As the deputation of Krishnalchar & Seeds Smoothes even if he was subsistence his increments cannot be taken away and this is such a case. both Krishnalchar & V. K. Sunnvara Rao cannot count time. The Inam actually doing duty should get the increments. Mr also noticed that Krishnalchar cannot get the increments under any rule but yet may after service be long mentioned in this letter but that is after he joins and even then this would be a fit case for the operation of the note prohibiting the grant of increments for offs on deputation where the addl knowledge gained cannot be directly beneficial to the subsistence office. I may also mention that in my own case when I was both Census dept during the Census of 1901, my increments were withheld on this account.

7.9.11

Agreed)

11) It is clear that so long as the clerk is in the Census office he is not acting in the higher selection grade & cannot count time for increment in that grade. The first order of 24.4.11 relates (as it should) only to increments in permanent appts. For loss of acting promotion &c he is compensated by the extra allowance he draws in the Census office.

If deemed fit, Brs. II may be consulted.

S. Mahadeva Rao is, at present, acting in place of III grade clerk, A. Venkatachar, promoted to II grade in a Subprotem vacancy. The point for decision is whether Sy. clerk, Mahadeva Rao, who holds no substantive post can have his lien in his acting apptt. in the G.O.R.S., during his employment in a temporary office like the Economic Conference Office.
